

**TM-2250<sup>®</sup> In-Line Labelling/Tabbing Module**  
**Outline Specification Document**

# TM-2250<sup>©</sup> In-Line Labelling/Tabbing Module

The Bronway TM-2250 In-Line Tabbing Module has been designed to apply labels to: Jewel Cases, Amaray Boxes, Video Boxes, and Sleeves. The labels can be placed on the spine or the surface of the media package at very high speed. The maximum label size and application speed is determined by the labeller deployed in the system. The TM-2250 is designed to integrate into a high-speed manufacturing environment by providing height adjustment.

Label Width:	20mm to 50mm.
Label Length:	20mm to <160mm.
Label Roll Core Diameter:	38mm or 76mm.
Label Cycles per Minute:	Up to 100ppm (Dependent on media package type and label size).
Power Supply	110/220V Single Phase at 60/50Hz.
